

# Notice of traffic management A423, Southam

**HS2-EKFB-25-1538**

## Location

EKFB compound, A423, Southam Road

## Duration

11 February until Autumn 2026

## What we are doing

Traffic lights will be in use at the entrance to the EKFB compound on the A423 in Southam, to provide a safe right turn for vehicles when exiting the site.

## What to expect

- Vehicles turning left and right on exit.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

## Additional information

In order to facilitate safe right turns on exit from our main Southam compound, traffic lights will be in operation. Priority will be given to traffic on the A423 before allowing a controlled number of vehicles to join the main road from the compound. HGVs on the approved delivery routes will continue to turn left only on exit.
