# Tree trimming works on Victoria Road

**HS2-SCS-26-1704**

## Location

Victoria Road, North Acton, between Dudding Hill Bridge and Chandos Road

## Duration

Monday 2 and Tuesday 3 February 2026  
10am to 3pm

## What we are doing

We will be trimming trees along the raised footpath on Victoria Road. These works are required to ensure the safe removal on the HS2 conveyor bridge later in the year.

## What to expect

You may hear some noise from power tools while we trim back branches.

There will be a temporary footpath closure on Victoria Road from Midland Terrace to just past Chandos Road, with a signed pedestrian diversion in place.

A southbound lane on Victoria Road will also be closed between Dudding Hill Bridge and the mini roundabout at Chandos Road.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

### Additional information

We will have traffic marshals and temporary traffic lights in place to keep vehicles moving safely. We don't expect any significant traffic delays. The southbound bike lane will also be suspended while the work takes place.

### Where we will be working

The map below shows the location of the tree trimming works on Victoria Road, the footpath and lane closure and the pedestrian diversion.
