

Update: Installation of monitoring equipment on Kilburn Priory, Camden

HS2-SCS-26-1772

Location

Kilburn Priory, Camden

Duration

Monday 16 to Saturday 28 March 2026
8am to 4pm (no Sunday working)

What we are doing

We will be installing monitoring equipment into the ground under the footway on Kilburn Priory. This equipment will allow us to accurately measure and monitor any ground movement before, during and after the tunneling works in the area.

What to expect

- A footway closure and pedestrian diversion on Kilburn Priory
- A northbound lane closure on Kilburn Priory between Springfield Lane and Mortimer Place
- One of the entrances to Goldsmiths Place will be closed (shown on the map on the next page)
- Parking bay suspensions on Kilburn Priory and Mortimer Place

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

We wrote to you in February 2026 regarding the installation of monitoring equipment on Kilburn Priory from 9 to 21 March 2026 (Ref HS2-SCS-26-1725). Due to unforeseen factors, this work will now be rescheduled to take place on the dates mentioned on the previous page.

We will be digging two holes to install the monitoring equipment below ground level. Access to properties will be maintained. There will be a 3-way temporary traffic light system, with marshals to help with traffic flow. You may hear some noise from breaking concrete. Where possible, we will use noise reducing barriers. Once the installation of the equipment is complete, we will reinstate the footway and northbound lane.

Where we will be working
