Update: Traffic Management Wolsley Drive

HS2-BBV-26-1735

Location

Wolsley Drive

Duration

Day time works from 8.00am until 6.00pm between 23 March and 1 May.

What we are doing

We will be boring holes in the nearside for underground investigations.

What to expect

Narrowing of Wolesley drive using cones. The business will retain access, but we will narrow the road to facilitate our works. Road users on Bromford Lane may see a drilling rig and traffic management.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you **have** any questions or concerns about our works you can contact us by:
