

Notice of Works on Euston Street

HS2-EUS - SCP-26-1745

Location

Euston Street

Duration

From **9 March 2026** for approximately **5 weeks**

What we are doing

We will be carrying out CCTV surveys on Euston Street in two phases. These surveys will provide important design information needed for planned utilities works. To safely facilitate the activity, **pedestrian walkways will be temporarily diverted. Euston Street will remain open throughout**, although lane restrictions will be in place.

Please continue reading this notice for full details of the traffic management arrangements.

What to expect

Working hours are **Monday to Friday, 8:00am to 6:00pm**. Start-up and close-down activities may occur up to one hour before and after these times.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information and future works

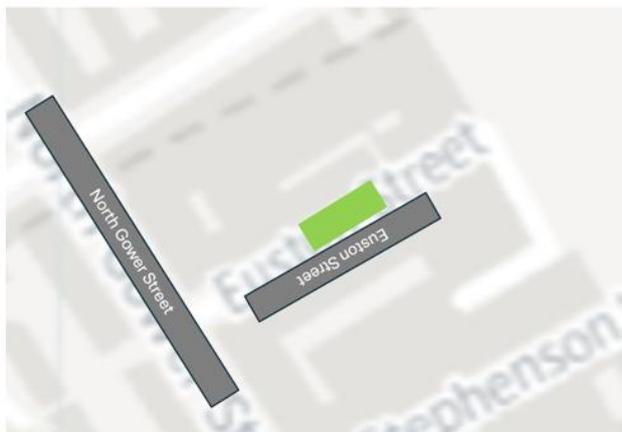

We understand that construction activity can be disruptive for those living and working nearby. Due to the nature of these works, there may be periods of increased noise, particularly during excavation and concrete activities. While some disturbance is unavoidable, please be assured that we are taking all possible steps to minimise noise and inconvenience.

Once the CCTV surveys are complete, our teams will return from April 2026 to carry out further utilities diversion works in the area, we expect works to continue intermittently until 2027. We remain committed to keeping you informed throughout these activities and will provide updates as the programme progresses.

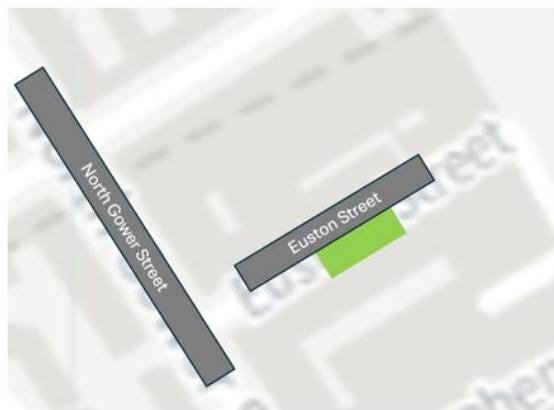

Where we will be working

Please see below approximate location of works.
