

Notice of A418 Oxford Road overnight closure and traffic management

HS2-EKFB-26-1774

Location

A418 Oxford Road, between Coldharbour roundabout and Stone, opposite EKFB A418 compound site entrance.

Duration

1 night road closure of a section of A418 on

Saturday 18 April 8.30pm until Sunday 19 April at 5.30am

Single lane closure. The road will reopen with a single lane closure until 1pm on 19 April.

There is a contingency of 22 April to 23 April to complete these works if required.

What we are doing

We will be removing a redundant underground cable around the A418 bridge. As we'll be working near other live utilities, vacuum excavators will be used at certain times, creating some noise and dust.

What to expect

Full road closure for 1 night, from 8:30pm to 5:30am. A signposted diversion route will be in place and a **single lane closure** from 5.30am to 1pm

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:
