

Notice of traffic management on Attleboro Lane

HS2-BBV-26-1890

Location

Attleboro Lane overbridge, Water Orton

Duration

Monday 13 April to Friday 24 April 2026.

The works are being carried out between 07:30am and 5:30pm each weekday and between 07:30am and 1:30pm on Saturday. During these hours traffic will be controlled by Stop/Go control.

What we are doing

Inspection of manholes and associated utility-related works.

What to expect

Traffic management will be in place during the works to enable the manholes to be inspected. The traffic management will be controlled by two-way traffic lights. In this respect, minimal traffic delays are expected.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Where we will be working

See below map detailing these works

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
