

Notice of borehole works, South Hampstead

HS2-SCS-26-1776

Location

Various locations in South Hampstead, please see map of work areas on the following page.

Duration

25 to 27 March 2026
8am to 6pm

What we are doing

We will be decommissioning boreholes, ahead of future tunneling works in the area. A borehole is a narrow, deep hole drilled into the ground to learn about underground conditions.

What to expect

There may be some noise from machinery. We will suspend two parking bays at each location. This is for vehicles carrying grouting material and grout pump to park.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:
