HS2

Weekend working in Euston Scissor Box

HS2-SCS-26-1883

Location

Euston Scissor Box area

Duration

Saturday 11 and 18 April, 8am to 6pm and
Sunday 12 and 19 April, 10am to 6pm

What we are doing

Working within site to reduce concrete level.

What to expect

Increased noise levels while using hydro-scabbling pump and vacuum excavator.

We may be on site for an hour at the start and/or end of each shift.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Removal of concrete in Euston Scissor Box

We need to work in the Euston Scissor Box area to level off some concrete and install additional joints. We need to use a hydro-scabbling process which uses a high-powered water blaster to reduce the concrete to the required level. Once this process is complete, we will use a vacuum excavator to clear the area. For health and safety reasons, we need to complete these works during the weekend as an exclusion zone is required to protect operatives from flying debris. The exclusion zone also requires us to close the haul road and pedestrian walkway, preventing other works from continuing during this time.

We will work on Saturday 11 and 18 April, from 8am to 6pm and Sunday 12 and 19 April, from 10am to 6pm. If we cannot complete all works during this time, we may require additional weekends as contingency. There will be periods of increased noise while equipment is in use, however we will regularly monitor our noise levels to ensure we are working within the approved limits.

We apologise for any inconvenience caused.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
