Update: sewer works at Mandeville Road Vent Shaft site

HS2-SCS-26-1893

Location

Mandeville Road Vent Shaft, Northolt

Duration

30 March to 7 August 2026

These works will be within core hours,
Mondays to Fridays 8am to 6pm and
Saturday 8am to 1pm

What we are doing

Installing manholes and sewage pipes at
the site entrance on Mandeville Road

What to expect

You may experience noise and vibration as
we will be breaking concrete. We will use
noise reducing barriers where possible.

We are committed to keeping you informed
about work on HS2. This includes ensuring
you know what to expect and when to expect
it, as well as how we can help you. Should you
have any questions or concerns about our
works you can contact us by:

Additional information

We wrote to you earlier this month about sewer works from 23 March to 31 July 2026. These dates have changed, and works will now be from 30 March to 7 August 2026. We will install manholes and sewage pipes at the site entrance on Mandeville Road. These will provide permanent sewer connections from the headhouse to the sewer network.

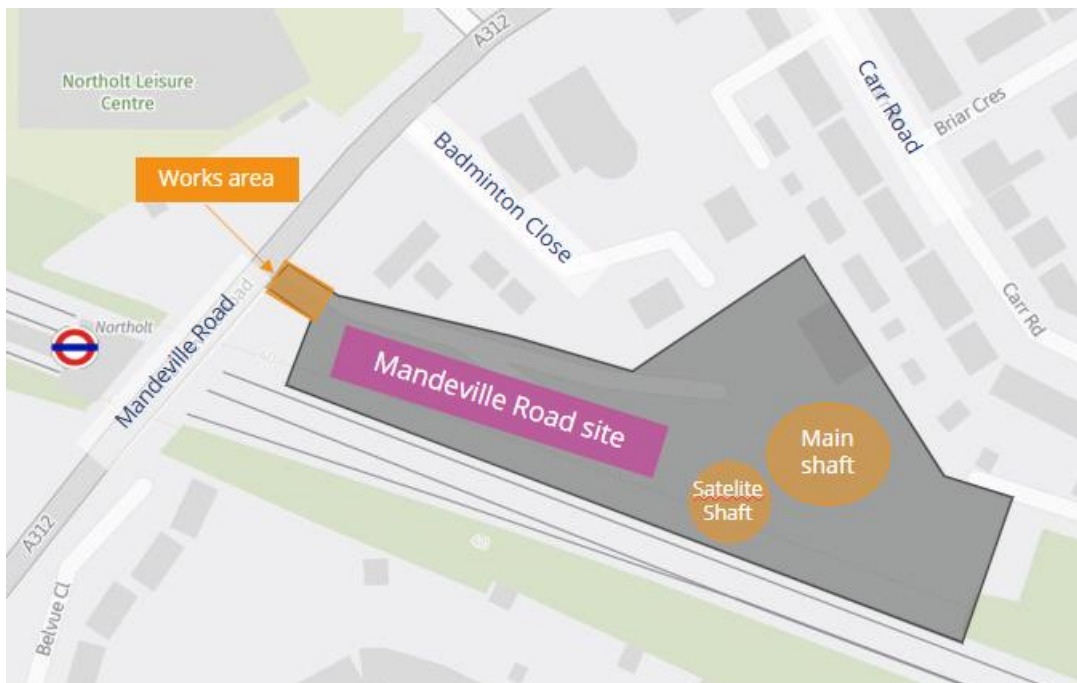

We will be cutting and breaking concrete. We will use an excavator and handheld tools such as breakers and saws.

These works will not affect Mandeville Road or the pedestrian pathway.

We apologise for any inconvenience these works may cause.

Where we will be working
