

Notice of daytime and overnight sheet pile removals on M42 between junction 6 and 7 in both directions – near Bickenhill

HS2-BBV-26-1877

Location

M42 between junction 6 and 7 in both directions.

Duration

Daytime working hours:

between 8am and 6pm from Thursday 16 April until Saturday 27 June 2026.

Overnight working hours:

Between 6pm and 5am Thursday 16 April until Saturday 27 June 2026.

What we are doing

As part of ongoing work to construct the M42 Box Structure, we will remove the sheet piles installed earlier in the programme.

No additional traffic management is required. Work will take place during daytime and night shifts, with no overnight activity on Saturdays or Sundays.

What to expect

Low level noise from our works site.

These works are subject to consent.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

About the M42 Motorway Box structure

The new railway will pass over the M42 on a twin box structure near Birmingham Business Park and the NEC. This new structure, measuring 300m length by 25m width will cover around 130m of the M42 and will be built in position whilst maintaining three lanes of traffic flowing on the M42.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
