

# Notice of traffic management A423, Southam

**HS2-EKFB-26-1748**

## Location

A423, Southam.

## Duration

Saturday 28 March to Thursday 2 April 2026, 9.30am to 3pm.

If we are unable to complete these works due to poor weather or programme delay, we will use the below contingency dates:

Thursday 30 April to Monday 4 May 2026, 9.30am to 3pm.

## What we are doing

Under a single lane closure, we will be extending a drainage culvert under the A423 to support the new shared-use footpath.

## What to expect

- Traffic lights on the A423 for a single lane closure.
- Work taking place close to the highway.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

## Additional information

As part of our plans to realign the A423 over the HS2 railway south of Southam, we are building a shared use footpath (for pedestrians and cyclists) along the side of the road towards Kingfisher Drive. As we prepare for the realignment later this summer, we are building an extension to the road drainage which runs under the new footpath.

To carry out this work safely, a lane closure will be required on a section of the A423, Banbury Road. These traffic lights will be in operation during off-peak times.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

## Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: [www.hs2.org.uk/how-to-complain](http://www.hs2.org.uk/how-to-complain)

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
