## Location of works and diversion route

See map below detailing the carriageway closures and approved diversion routes. Leave the M42 at Junction 9, Continue southbound on the A446 Stonebridge and Lichfield Road until M6 junction 4.

For drivers wishing to take M6 southbound they should take the first exit from the roundabout onto the M6 southbound carriageway where their diversion ends and for drivers wishing to take the M6 northbound they should take the third exit from the roundabout onto M6 northbound where their diversion ends.

All other drivers should take the second exit from the M6 junction 4 roundabout onto A446 Stonebridge Road and continue onto A452 Chester Road until they reach the A45/A452 Stonebridge roundabout. At this roundabout, drivers wanting to take the M42, they should take the third exit onto A45 towards Birmingham and continue to M42 junction 6 where their diversion ends.
