# Update: sewer works at Mandeville Road Vent Shaft site

**HS2-SCS-26-2044**

## Location

Mandeville Road Vent Shaft, Northolt

## Duration

5 May to 11 September 2026

These dates were rescheduled from a planned start of 30 March.

These works will be within core hours, Mondays to Fridays 8am to 6pm and Saturday 8am to 1pm

## What we are doing

Installing manholes and sewage pipes at the site entrance on Mandeville Road

## What to expect

You may experience noise and vibration as we will be breaking concrete. We will use noise reducing barriers where possible.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

### **Additional information**

We wrote to you recently about sewer works from 30 March to 7 August 2026. The start date was postponed as additional design work was required. Works will now be from 5 May to 11 September 2026.

We will install manholes and sewage pipes at the site entrance on Mandeville Road. These will provide permanent sewer connections from the headhouse to the sewer network.

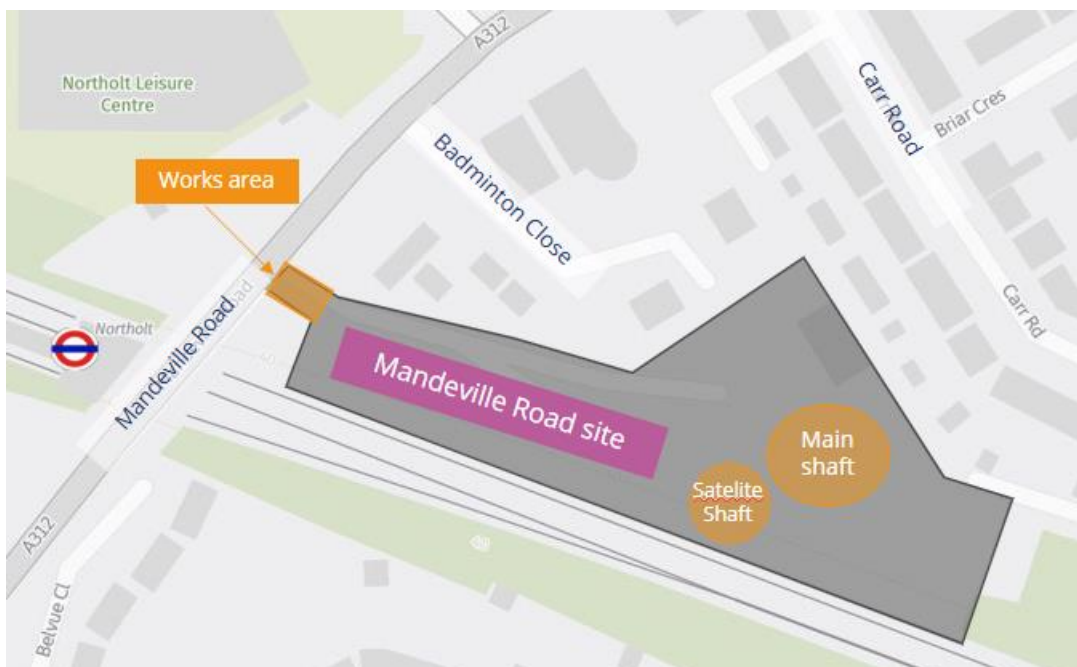

We will be cutting and breaking concrete. We will use an excavator and handheld tools such as breakers and saws.

These works will not affect Mandeville Road or the pedestrian pathway.

We apologise for any inconvenience these works may cause.

### **Where we will be working**
