

Notice of road closure, Church Lane and Featherbed Lane Mixbury. April update

HS2-EKFB-26-1910

Location

Church Lane junction and Featherbed Lane Mixbury.

Duration

Road closure

14 May to 15 June 2026.

What we are doing

Featherbed Lane Overbridge Realignment

The original 47-day road closure was planned to complete all works, including gas connections. However, due to delays in the delivery of bespoke parts, the gas connection works will now require an additional two-week closure. While we have adjusted the start date to ensure the new highway opens on 15 June as scheduled, the road may need to remain closed for two weeks afterward to complete these connections. We will keep the community updated as plans are confirmed.

What to expect

A full road closure will be in place **24/7**, with a diversion route available. Please allow extra time for your journey.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

Due to the narrow road and the location of the road connections, it is not feasible to complete these works using traffic lights. A full road closure is the most efficient and safest method to complete the work as quickly as possible.

Where we will be working

The map below shows the closure points on Featherbed Lane, including the junction of Church Lane, Mixbury. The orange line shows the official diversion route you should follow.
