Additional information

We wrote to you recently to say that Alexandra Road would reopen on 18 April 2026. However, additional work is required until 14 June 2026 as part of our South Hampstead gas main diversion.

We will reopen the section of the road from the junction of Loudoun Road, as far as 15-17 Alexandra Road, on 26 April 2026.

We will continue work in the area shown in red on the map below. This section of the road will remain closed until 14 June 2026. We will excavate within the grass area in front of the sports ground. The footpath in front of the grass area will be closed, with pedestrians diverted to the other side of the road. The electric charging bays will not be affected.

We apologise for any inconvenience this work may cause.

Where we will be working

The map below shows the approximate location of the work site, road closure and footway closure and the traffic diversion.
