

Update on works on Eversholt Street

HS2-EUS - SCP-26-2328

Location

Eversholt Street

Duration

From **July 2026** on going intermittently

What we are doing

We wrote to you in March 2026 (reference number: HS2-EUS - SCP-26-1971) to notify you of ongoing essential utilities works in the area. Since April 2026 we began our essential utility relocation, and diversion works on Eversholt Street. Please read the rest of this notice for an update on these works.

What to expect

Working hours are **Monday to Friday, 8:00am to 6:00pm**. Start-up and close-down activities up to one hour before and after these times. Work may also take place on **Saturdays and Sundays between 8:00am and 6:00pm**. Occasionally, it may be necessary to work at **night between 10pm and 5am** for work that cannot be carried out during the daytime and to limit impact to commuters. Please note that changes to the programme may occur and we will continue communicate changes

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Minicom **08081 456 472**

Email **HS2enquiries@hs2.org.uk**

Phasing and Programme Approach

Since April 2026, we have been carrying out utility relocation and diversion works along Eversholt Street which is required to support future construction and ensure existing services are safely maintained. To facilitate this, we are installing new pipework and are excavating a series of utility connection points along Eversholt Street. These will act as access and connection locations for new and diverted utilities.

The initial phase of works was due to be completed by the end of June 2026, however, there has been a programme delay which extends our work programme to late September 2026. The table below sets out the revised programme for works on Eversholt Street.

Revised details of phases

Phase	Location	Duration
One (current)	Eversholt Street, opposite Lancing Street and Doric Way	Up to 4 weeks
Two	Eversholt Street – adjacent to Lancing Street	Up to 4 weeks
Three	Eversholt Street - adjacent to Doric Way	Up to 4 weeks

Please note that changes to the programme may occur and we will continue communicate changes and continue to write to you with further updates as the programme develops.

What to expect

During all phases, there will be no access to Euston Road from Eversholt Street.

Eversholt Street will be closed to southbound traffic, two-way temporary traffic lights, pedestrian footpath diversions with bus stop suspensions – please plan ahead using the TfL Journey Planner or the TfL Go app and check before you travel by visiting the TfL Status updates page. To find alternative bus stops please visit: www.tfl.gov.uk/maps/bus

We recognise that construction activity can be disruptive for those who live and work nearby. Due to the nature of these works, there may be periods of increased noise, particularly during excavation and concrete activities. While some disruption is unavoidable, the works will be managed within local worksites to help minimise impacts on the surrounding area. Please be assured that we are taking all reasonable steps to reduce noise and inconvenience wherever possible. Pedestrian access to properties and Euston Station will be maintained throughout

Keeping in Touch

Each month Mace Dragados (MDjv) holds virtual 121s to provide updates on works in the area. You can book a free 20-minute slot via Eventbrite by searching HS2 events or by putting this link in your browser: [Copy of Virtual Drop-ins: Euston Station works - MDjv Tickets, Multiple dates | Eventbrite](#).

Where we will be working

Please see below approximate location of works taking place within our site.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
