

Old Oak Common electrical and mechanical works

HS2-OOC - SCP-26-1988

Location

Within Old Oak Common Station site. In the high-speed station underground box and in the conventional station.

Duration

High-speed station: Ongoing until May 2027
Conventional station: Beginning in February 2027 until early 2028.

What we are doing

Installing the lifts, escalators, drainage, lighting, and similar services in Old Oak Common Station.

What to expect

Noise from works and the equipment used. We will put noise mitigations in place and regularly monitor impacts.

There may be occasional oversized deliveries for escalators and other services that will be fitted out the station. These will be delivered before 8am to avoid disruption on local roads.

Works will only occur during normal working hours (Monday to Friday 8am – 6pm, Saturday 8am – 1pm).

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

Electrical and mechanical works are continuing within the HS2 box until May 2027. The works include the delivery, moving, and installation of mechanical, electrical, and drainage services into the HS2 Platforms. These works have been ongoing since August 2025.

Similar activities will begin in the conventional station and adjoining station control area building from February 2027.

These works are providing the main services that will allow the station to operate once opened and includes the structures and elements necessary for wiring, plumbing, and signaling, as well as lifts and escalators.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
