

# Notice of A43 construction works update.

**HS2-EKFB-26-2074**

## Location

A43, one kilometre north of Brackley at the interface with the HS2 line.

## Duration

Ongoing until July 2026.

## What we are doing

Construction works to the top of the new bridge to form the A43 highway. The works are taking place during both the daytime and at night.

Daytime work will consist of verge and central reservation works, safety barrier installation and drainage.

Nighttime work involves carriageway construction and laying tarmac.

## What to expect

The A43 will remain open whilst we carry out these works and the construction activities will create some noise. Please note we will keep nighttime noise levels to a minimum. However, it could still be noticeable at times.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

### Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: [www.hs2.org.uk/how-to-complain](http://www.hs2.org.uk/how-to-complain)

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
