# Update: Full weekend nighttime road closure on Harvil Road

**HS2-SCS-26- 2262**

## Location

Harvil Road between Skip Lane and Dews Lane.

## Duration

Postponed work 23 and 24 May 2026

New dates:

**Saturday 11 July 10pm to 5am**

**Sunday 12 July 10pm to 5am**

## What we are doing

We need to close Harvil Road to complete surveys and testing on the bridge. To do this safely, we need to install scaffolding on the underside of the bridge and use a crane to complete the work.

## What to expect

Vehicles will be diverted along Harvil Road, Moorhall Road, Denham Avenue, A40 and B467 Swakeleys Road.

Emergency services will also need to follow this diversion.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

### Additional information

A crane may be visible that will lift materials onto the railway track. For safety, we need to complete this work overnight when the rail tracks are not in use.

We previously informed you that we were carrying out these works on Harvil Road between Saturday 23 May 10pm to 5am and Sunday 24 May 10pm to 5am. These works were postponed. The new dates are 11 July 10pm to 5am and 12 July 10pm and 5am.
