

# Notice of Aylesbury Road traffic management

**HS2-EKFB-26-2171**

## Location

Aylesbury Road, Waddesdon. Between Waddesdon Hill junction and Waddesdon A41 roundabout.

## Duration

**5 days** Monday 22 June to Friday 26 June

## What we are doing

A water main connection and associated testing, general verge works and reinstatement.

## What to expect

Temporary 3-way traffic lights will be in place during the single lane closures.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

### Additional information

We are working to complete new connection to a water main. Due to the requirements of the asset owner, Thames Water, we have altered our works program. This has meant that additional time for reinstatement work is required until Friday 26 June. This extension relates to a single lane closure managed by traffic lights only.

### Where we will be working

The map below shows the location of 3-way temporary traffic lights along Aylesbury Road between:

- **Monday 22 June and Friday 26 June, 8:30am - 5:30pm**

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

### Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: [www.hs2.org.uk/how-to-complain](http://www.hs2.org.uk/how-to-complain)

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
