

Notice of temporary contraflow, southbound carriageway, realigned A452 Kenilworth Road Solihull

HS2-BBV-26-1973

Location

A452 Kenilworth Road, Meriden roundabout to Bradnock's Marsh, Solihull

Duration

From **Monday 6 July 2026 to March 2027**

What we are doing

We will be switching the contraflow from the northbound carriageway onto the southbound carriageway of the new A452. The switch is required so we can complete highway realignment works and the new roundabout before the road opens fully.

What to expect

A 30mph speed restriction will be in place. Motorists will experience some disruption to travel times. Access / egress for the Lincoln Farm Truck Stop and Old Marsh Lane will be provided via a temporary junction with 3-way traffic lights on the existing northbound carriageway. Access / egress points to Mercote Mill Farm and Marsh Farm 'The Nook' will be fully signposted on the A452. Temporary closures may be required as we switch the traffic, please see overleaf.
