

Extended hour working for Ickenham Stream diversion

HS2-SCS-26-2347

Location

Within our West Ruislip Portal site, north of the Network Rail line and south of the Ruislip Golf Course.

Duration

10 August to 9 October 2026
Monday to Saturday, 8am to 10pm

For safety, we need to work extended hours due to the proximity of these works to the Chiltern Line.

What we are doing

We previously informed you we needed to divert the Ickenham Stream. Following the excavation of the trench, we now need to pour concrete to form the base slab, walls and roof slab that will surround the pipe, and install drainage.

What to expect

We do not expect this work to be noisy but we will continue to monitor our noise levels during these works. You may notice machinery and operatives working outside of our core hours.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Where we will be working

Please see the map below for the location of this work.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
