

Night closure of A412 North Orbital Road, between West Hyde in Hertfordshire and Denham in Buckinghamshire

HS2-ALIGN-26-2020

Location

A412 North Orbital Road, Denham, Uxbridge.

Duration

The road will be closed from 10:00pm to 5:00am from Monday 29 June to Saturday 4 July 2026. A single lane closure with traffic management will be in place from Saturday 4 July to Friday 10 July 2026.

What we are doing

We will be carrying out road resurfacing works, including the removal of temporary construction assets. To undertake these works safely, a full road closure will be required during the stated hours.

What to expect

Phase one will require a full road closure. A signed diversion route will be in place, along with advance warning signage positioned at both ends of the closure to help guide road users. Following this the road will remain open with temporary two-way traffic signals installed to safely manage traffic movements through the area until works are complete.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Where we will be working

Map below shows Phase 1 diversion route and location of road closure. Access will be maintained to residents and businesses during the period of the road closure.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
