What we are doing

Due to extreme heat the closure time has been extended to allow more time for the asphalt to set. We are starting the road realignment to connect the new section of the A43 with the existing carriageway. This work involves installing signage, resurfacing, and applying new white lining.

What to expect

A section of the A43 carriageway in one direction will be closed in July to facilitate the tie-in of the new A43 realignment over the bridge.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:
