Northbound

Friday 31 July to 7am Sunday 2 August 2026

What we are doing

We are starting the final phase of the road realignment to connect the new section of the A43 with the existing carriageway. This work will involve installing signage, resurfacing the road, and applying new white lining. Please note that these activities are subject to the necessary consents.

What to expect

A section of the A43 carriageway in one direction will be closed in July to facilitate the tie-in of the new A43 realignment over the bridge.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:
