

Notice of installation of monitoring equipment at The Courtyard, Camden

HS2-SCS- 26-2254

Location

The Courtyard, 44 Gloucester Avenue,
Camden

Duration

Wednesday 8 to Friday 10 July 2026
Core working hours 8am to 6pm

What we are doing

We'll be installing monitoring equipment at The Courtyard in advance of future tunnelling works in the area. We'll fix the monitoring equipment onto the building using an elevated mobile work platform and handheld power tools.

What to expect

- You may notice some noise from drilling and handheld power tools. We apologise for any inconvenience this work may cause.
- Regular follow ups for readings.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Additional information

Once we've installed the prisms, our survey team will visit to take regular readings and carry out any required maintenance. Our team uses a tripod like the one pictured below to survey the prisms from the railway.

Where we will be working

Examples of monitoring equipment

Circular prism and a tripod used to take measurement readings

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
