Stanhope Street closure – 10 to 28 August

We have been diverting utility services on and next to Hampstead Road before we begin works to extend Hampstead Road bridge.

As part of these works, we previously installed new cable routes from Lidlington Place to Varndell Street via Granby Terrace to replace the existing route on Hampstead Road.

In the next stage of our works, we will install an additional section of ducting and connect the new cable routes before the existing services are transferred.

On **10 August** we closed Stanhope Street north of the junction of Varndell Street, with traffic diverted via Varndell Street, Harrington Street, Mackworth Street and back onto Stanhope Street. We also closed a section of the eastern footpath on Stanhope Street. Pedestrians are diverted to the western footpath. We'll continue to suspend parking bays on Stanhope Street during these works.

Please note that Varndell Street is closed at the junction of Hampstead Road.

We previously informed you that we expect these works to be complete by **21 August**. Due to a delay in the programme, we now expect to finish on **28 August**.

We will maintain access to properties at all times and apologise for any inconvenience caused.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
