Notice of 24 hour underground work at South Ruislip Vent Shaft

HS2-SCS-26-2252

Location

Underground, at the South Ruislip Vent Shaft site, off Old Dairy Lane, Hillingdon

Duration

8 July to 14 August 2026

24 hours a day, seven days a week

What we are doing

Breaking concrete in the underground tunnel to connect the tunnels to the vent shafts.

What to expect

You may notice some noise and vibration. We will try to keep disruption to a minimum.

We'll continue to monitor noise and vibration at all times.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

This work is being carried out over 24 hours, seven days a week, as the concrete breaking must be done continuously for engineering and safety reasons.

We apologise for any inconvenience this work may cause.

Where we will be working

All works will be within the tunnels, 25 metres below ground.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
