

Traffic Management and Night closure of Moorhall Road, Hillingdon

HS2-ALIGN-26-2204

Location

Moorhall Road, Harefield, Hillingdon.

Duration

Phase 1 contraflow system will be in place from 29 June to 27 July.

Phase 2 overnight road closure will take place from 27 July to 31 July from 10pm to 5am every night.

What we are doing

We will be removing the temporary construction bellmouth and resurfacing the road where the Colne Valley Viaduct crosses Moorhall Road.

What to expect

Temporary traffic signs, cones and barriers will be in place to guide you safely around the work zones for the safety of both drivers and our workforce. While these schedules are designed to avoid peak commuting hours, we recommend allowing extra time for your journeys and watching out for temporary changes. Pedestrians and cyclists will be escorted through the work zone by traffic management personnel.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Phase One Single Lane Closure

Phase two Diversion Route

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
