

Notice of Road Closure

Calvert temporary link road, Calvert

HS2-EKFB-26-2234

Location

Calvert temporary link road, Calvert

Duration

20 July until 17 August 2026, 24 hours a day

What we are doing

In order to complete Calvert Road overbridge and open it to the public, we need to tie-in to the existing highway at the eastern-end of the temporary link road. The temporary link road, connecting Calvert to the Claydon's, will be closed indefinitely from 20 July and demolished. Calvert green overbridge and highway is planned to open to traffic on 17 August 2026.

What to expect

Full closure of Calvert temporary link road. This road will be demolished and the permanent highway over Calvert bridge reinstated and open to traffic.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Where we will be working

The map below shows the upcoming permanent closure of the temporary link road from 20 July 2026. Calvert bridge will open to traffic on 17 August 2026. The map also shows the current closure of Steeple Claydon to Twyford road and the 3 way traffic management on Gawcott Road, with the suggested diversion routes.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
