Duration

Traffic management will be in place from Tuesday 17 February until Monday 5 April 2027. While we continue to assess potential alternatives, temporary traffic lights remain the current and approved traffic management arrangement.

What we are doing

Following a recent safety assessment, it has been recommended three-way lights are in place on Gawcott Road to manage vehicle speeds as traffic passes the junction leading to the West Street compound.

What to expect

Three-way temporary traffic lights, 24 hours a day.
