# Closure of Saltley Viaduct

High Speed Two (HS2) is the new high-speed railway for Britain.

In early May 2026 Balfour Beatty VINCI (BBV) closed Saltley Viaduct. This is so we can construct a taller, stronger and safer bridge over the existing railway, the new HS2 railway, the canal and the River Rea.

We want to make sure you can continue to travel with confidence throughout the closure. **Now that the closure is in place, we would like to invite you to our feedback event, details overleaf.**

To find out more scan the QR code or visit [www.hs2.org.uk/svclosure](http://www.hs2.org.uk/svclosure) and sign up for regular updates and upcoming events in your area.
