

Barrier installation on A404 Amersham Road and Whielden Lane, Amersham

HS2-ALIGN-26-2106

Location

A404 Amersham Road and Whielden Lane
boundary of Amersham vent shaft,
Amersham

Duration

Works will take place over 3 weeks from
Monday 17 August to Sunday 6 September
2026.

What we are doing

We will work alongside the highway to
remove existing site hoarding and to install a
new Vehicle Restraint System (VRS) around
the Amersham Vent Shaft site on Whielden
Lane and the A404, Amersham.

These safety barriers are designed to protect
road users and the shaft site in the event
of accidental collision.

What to expect

There will be lane narrowing along the
carriageway to create a safe working zone for
operatives, particularly during busier periods.
We will make every effort to keep disruption
to a minimum during this period.

We are committed to keeping you informed
about work on HS2. This includes ensuring
you know what to expect and when to expect
it, as well as how we can help you. Should you
have any questions or concerns about our
works you can contact us by:

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
