

New temporary stockpiles, South Heath, Buckinghamshire

HS2-ALIGN-26-2201

Location

Land adjacent to South Heath cutting, South Heath, near Great Missenden, Buckinghamshire.

Duration

Temporary stockpiling will start in late July 2026 and will be removed by July 2027.

What we are doing

We will use land outside the formally designated Limits of Land to be Acquired or Used (Act Limits) to create two temporary stockpiles for the storage and management of chalk and topsoil, not exceeding 4 metres in height. This will enable us to work more efficiently within the confines of the South Heath cutting and reduce the amount of lorry movements onsite.

What to expect

The stockpiles will not be visible to residents and will be removed by July 2027. Stockpiling will take place Monday to Friday: 8am – 6pm, Saturday: 8am – 1pm.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

Align JV and HS2 Ltd will ensure that appropriate consent, licenses, or agreements are obtained prior to commencement to ensure that all works comply with relevant planning, environmental, and land-use regulations. The stockpiles will be fenced and carefully managed to ensure safety.

Where we will be working

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
