

Changes to working hours -Curzon St station

HS2-BCZ – SCP-26-2293

Location

Curzon Street

Duration

Monday 6 July – Wednesday 30 September

What we are doing

Following the recent period of exceptionally warm weather, and as part of our ongoing commitment to the health, safety, and wellbeing of our workforce, we have agreed a temporary adjustment to our working hours with Birmingham City Council.

What to expect

During periods when the Met Office issues a Red Weather Warning for extreme heat, we will begin working on site at **7am and finish at approximately 2pm**. This change is intended to help minimise prolonged exposure to heat and support the wellbeing of our teams.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Minicom **08081 456 472**

Email **HS2enquiries@hs2.org.uk**

Additional information

Please note that this arrangement is **temporary** and will only apply during periods covered by a Red Weather Warning. It does not represent a permanent change to our standard working hours.

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable. We will make every effort to minimise any unnecessary noise. We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
