

Update Curzon Street Closure - Curzon St station

HS2-BCZ – SCP-26-2313

Location

Curzon Street

Duration

Friday 2nd October – Friday 6th November

What we are doing

Closing Curzon Street to all non-construction vehicles

What to expect

We will close Curzon Street from the north end, near the Woodman Pub down to the Cardigan Street junction. This is so we can safely carry out an increase in ongoing construction works at the site. We will maintain access for emergency vehicles at all times. We are carrying out the work to put the closure in place during the day including weekends to keep disruption to a minimum. Once these works have been completed, Curzon Street will be closed to all non-construction vehicles until further notice.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

We will install barriers at each end of the closure, which will be controlled by our operatives. We will also put fencing along the edge of the road and footpath. We will maintain access to the footpath on Curzon Street.

We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable. We will make every effort to minimise any unnecessary noise. We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
