

Notice of installation of monitoring equipment in South Hampstead

HS2-SCS- 26-2342

Location

Rowley Way – Block H (Alexandra Estate)
St Johns Wood Care Centre, Camden

Duration

From 12 August 2026 to 30 June 2027
Working hours: Monday to Friday, 8am to 6pm

What we are doing

We need to install monitoring equipment in advance of tunnelling under the Estate. This equipment allows us to carry out ground movement monitoring before, during and after tunnelling under the Alexandra & Ainsworth Estate. We'll install 50mm reflective targets onto the building exterior of St Johns Wood Care Centre and Rowley Way Block H. We'll fix monitoring targets in place using glue and take all measurements at street level.

What to expect

- You may notice operatives in the area.
- Regular follow ups for readings.
- These works are not expected to be noisy.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Additional information

Our survey team will visit for short periods of time to monitor the targets before and during construction of the HS2 tunnels. During some phases of construction these visits may be daily. The surveys will be ongoing for 12 months after the tunnelling in your local area.

Where we will be working

The map below shows the approximate location for the monitoring equipment.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
