What we are doing

As part of the ongoing civil engineering work for HS2, we've temporarily closed some Public Rights of Way (PRowWs) in the area between Radstone, Halse, and Greatworth.

These closures are needed to safely carry out activities such as bulk earthworks and excavations.

What to expect

Periods of varying activity, with some quieter times and some busier times. Temporary closures of Public Rights of Way (PRowWs). Noise from machinery and equipment being used during the works.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:
