Replacement of hoarding graphics on Park Village East – extended until 15 September

We are replacing the hoarding graphics on Park Village East as it has been damaged by the weather over time. The artwork displayed on the hoarding will remain the same.

We previously informed you that we would complete these works on 15 August. Unfortunately, due to unexpected delays, we have paused these works and will continue from **24 August**. We'll work from 8am to 6pm, Monday to Saturday. We expect to complete these works by 15 September.

We'll temporarily close the footpath and suspend parking bays intermittently, with a temporary pedestrian diversion around the footpath closure to maintain access while works are ongoing. Please note that parking bays in each section will be suspended from the Sunday before each week to avoid any delays to works starting. We do not expect any noise while the remainder of these works are being carried out. We apologise for any inconvenience this delay may have caused.

The hoarding along Park Village East will remain in place until the completion of HS2 works in this area.
