

Update - Notice of A41 traffic management

HS2-EKFB-26-1653

Location

Along the existing A41 at the Fleet Marston temporary roundabout close to the EKFB compound.

Duration

Monday 24 August to Wednesday 16 September, Monday to Friday **(17 days)** and,
Monday 5 October to Thursday 22 October, including weekends **(18 days)**

What we are doing

Excavation and connection works for gas utility diversion.

What to expect

Two-way, off-peak traffic management, 9:30am to 3pm*.

*There will be one day during the October works period when the lane closure must be kept in place until 4pm, to allow additional time for testing of the gas connection.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional Information

Originally, these works were due to be completed on 16 September. Our program has changed on account of ground conditions at the worksite being unsuitable for continued use of vacuum excavator machines. For this reason, we will be hand digging in certain areas to complete the connection work.

Where we will be working

These works will take place on the existing A41 close to the EKFB compound, as shown on the map below:

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
