EKFB Working in partnership with HS2

Update - Notice of A41 traffic management

HS2-EKFB-26-1653

Location
A41 at the Fleet Marston temporary roundabout near the EKFB compound.

Duration
19 days - Monday 5 October to Friday 23 October, including weekends, 9:30am-3pm*

*24 hours a day from Thursday 8 October to Monday 12 October

What we are doing
Excavation and connection works for gas utility diversion.

What to expect
Single lane closure managed by two-way traffic signals mainly during off-peak daytime hours. There will be a five-day period where 24-hour traffic signals will be in place.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional Information

Our programme has changed on account of ground conditions being unsuitable for the use of certain machinery. We have also extended the hours of the lane closure to 24-hours a day across five days of the programme, to allow for connection and commissioning work to be completed safely.

Where we will be working

These works will take place on the existing A41 close to the EKFB compound, as shown on the map below:

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: **www.hs2.org.uk/how-to-complain**

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
