Permanent site access construction at West Ruislip Portal

HS2-SCS-26-2437

Location

West Ruislip Portal access, off Ickenham Road

Duration

1 September 2026 to May 2027

Monday to Friday, 8am to 6pm and Saturday,
8am to 1pm

What we are doing

We need to construct our new permanent
access at our West Ruislip Portal site.

What to expect

Reduction in vehicles entering our site via the
access gate off Ickenham Road. You may
notice more lorries using our other approved
lorry route and access gate along Breakspear
Road South.

Staff will access site through our car park off
Hill Lane.

There may be periods of increased noise
throughout these works, but we will
continually monitor levels to ensure we are
operating within approved limits.

We are committed to keeping you informed
about work on HS2. This includes ensuring
you know what to expect and when to expect
it, as well as how we can help you. Should you
have any questions or concerns about our
works you can contact us by:

Additional information

Please see below map of our approved lorry routes, which vehicles will continue to follow.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
