

Overnight sheet piling at West Ruislip Portal site

HS2-SCS-26-2350

Location

At our West Ruislip Portal site, north of the Chiltern Line and south of the Ruislip Golf Course.

Duration

1 September to 1 October 2026

6pm to 8am Mondays to Sundays including rail possession hours

Please see overleaf for additional information.

What we are doing

Installing sheet piles parallel to the Chiltern Line as part of the Ickenham Stream diversion works.

What to expect

Increased noise levels and operatives visible during the sheet piling activities. We will use piling equipment, a crane for lifting materials, excavators, and generators.

We will monitor noise levels throughout these works to ensure we stay within the agreed limits.

We apologise for any disruption this work may cause.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

Works will start from 1 September to 1 October, which includes activities either side of the rail possession hours. To prepare the ground for the excavation of shafts, we will remove the hoarding parallel to the Chiltern Line tracks to install sheet piles. As a safety measure, these works will be carried out during rail possession hours, when no trains are running. During core hours, we will have works ongoing within the HS2 site as usual. Please see the table below for rail possession hours.

Sheet piling during rail possession hours	
Mondays to Fridays	1am to 5am
Sundays	1am to 8am
Continuous 24/7 works	Friday 11 to Monday 14 September Friday 18 to Monday 21 September

Where we will be working
