

Update on works on Eversholt Street

HS2-EUS - SCP-26-2471

Location

Eversholt Street

Duration

From **July 2026** on going until **2028**

What we are doing

We wrote to you in July 2026 (reference number: HS2-EUS - SCP-26-2328) to provide an update of the ongoing essential utilities works on Eversholt Street. Since April 2026 we began our essential utility relocation, and diversion works on Eversholt Street. Please read the rest of this notice for an update on these works.

What to expect

Working hours are **Monday to Friday, 8:00am to 6:00pm**. Start-up and close-down activities up to one hour before and after these times. Work may also take place on **Saturdays and Sundays between 8:00am and 6:00pm**. Occasionally, it may be necessary to work at **night between 10pm and 5am** for work that cannot be carried out during the daytime and to limit impact to commuters. Please note that changes to the programme may occur and we will continue communicate changes

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Minicom **08081 456 472**

Phasing and Programme Approach

During week commencing 24 August we will be carrying out utility diversions directly within the footpath adjacent to the station. To facilitate these works and to limit impact to the general public it **may be necessary to continue activities up to 10pm at night**. As part of these works, we are installing new pipework and constructing a series of utility connection points along the street. These connection points will provide access to, and facilitate the transfer of, existing and newly diverted utility services.

What to expect

During all phases, there will be no access to Euston Road from Eversholt Street.

Eversholt Street will be closed to southbound traffic, two-way temporary traffic lights, pedestrian footpath diversions with bus stop suspensions – please plan ahead using the TfL Journey Planner or the TfL Go app and check before you travel by visiting the TfL Status updates page. To find alternative bus stops please visit: www.tfl.gov.uk/maps/bus

Where we will be working

Please see below approximate location of works taking place within our site.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
