Weekend works in Zone 5, Camden - August 2026

HS2-SCS-26-2420

Location

Euston Approaches, Camden

Duration

Weekend working on Saturday 8 August

What we are doing

We will dig a trench to form a duct route to power the new welfare site in Zone 5.

What to expect

Periods of increased noise.

Monitoring of our works to ensure we are working within approved noise limits.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Excavation works in Zone 5, close to Hampstead Road – 8 August

We started preparatory works in Zone 5 to enable the extension of Hampstead Road bridge. On Saturday 8 August we will be excavating a trench to form a duct route which will power our new welfare onsite.

We will work one shift on Saturday 8 August, 8am to 1pm to complete these works.

- 8am on Saturday 8 August to 1pm on Saturday 8 August

We apologise for any inconvenience caused.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
