Notice of temporary change to staff access gate, Adelaide Road ventilation shaft site

HS2-SCS-26-2461

Location

Adelaide Road Ventilation Shaft site, Adelaide Road, Camden

Duration

24 August to 24 September 2026

What we are doing

During the work at the eastern end of the site, staff will temporarily use an alternative entrance gate located at the western end of the site.

What to expect

Some noise whilst we set up the new entrance

Staff entering site from the western end of site

A security presence at the temporary staff access point

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

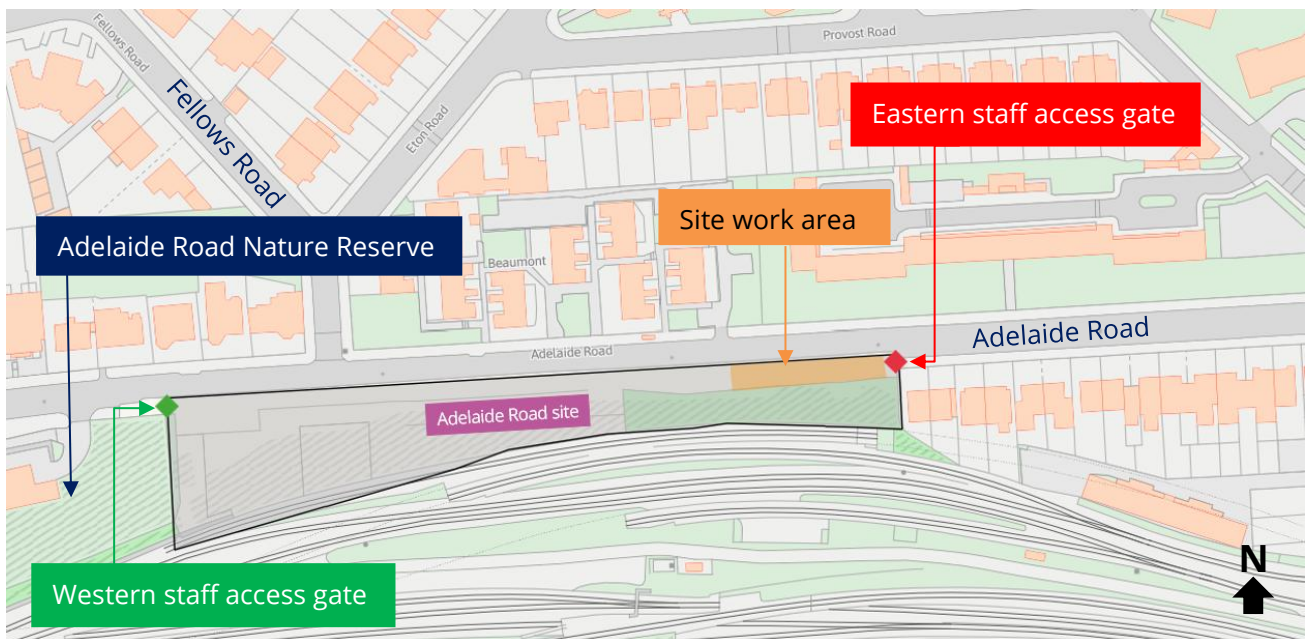

In July 2026, we wrote to you about preparatory works ahead of the continued construction of the ventilation shaft and headhouse on Adelaide Road. While works are being carried out in the eastern section of the site, staff will temporarily use an alternative access point at the western end of the site (see map below).

We will use the existing gate at the western end of the site, next to the Adelaide Road Nature Reserve. We will use an excavator to move concrete blocks from behind the gate. This may be noisy for about an hour on Monday 24 August.

We will continue to advise staff to be courteous to our neighbours while the access gate is being used.

Where we will be working

The map below shows the new staff access to the western end of site.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
