New Years Eve and New Years Day TBC

Sunday 3 January 2027 at 00:01 until Monday 4 January 2027 at 05:00

What we are doing

We are continuing with work to support the construction of railway bridges on land near the Central Line. Residents can expect to experience some construction noise, although works are taking place within the limits allowed and agreed with the local authority. Lighting will be used after dark to allow the work to take place safely.

What to expect

We have to carry out these works continuously, including overnight, when it is safe to do so, and while Great Western Mainline trains and Central Line trains are not running. We will complete our activity as quickly as possible to reduce disruption. We will use equipment and methods which help to reduce noise.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Where we will be working

Installing bridge beams during a railway Christmas closure

We are continuing with our work to support the construction of railway bridges near the Central Line - around 90 metres south from the rear of properties on Wells House Road.

From **Sunday 13 December** we will be carrying out preparatory works for the lifting of the beams. There will be surveys of the existing Central Line bridge, and earthworks to build up the area for the crane to sit on.

Over **Christmas**, we will be installing the first stage of the beams for the new Central Line bridge. We will lift in 10 bridge beams, using a crane positioned within our site. For safety, the work needs to be completed when the Central Line is not operating.

Once the beams have been landed, we will be continuing with the construction of the reinforced concrete deck on top of the beams. This will involve fixing steel reinforcement and pouring concrete.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner

Working times

Sunday 13 December 2026 00:01 until Monday 14 December at 05:00

Monday 21 December 2026 until late January 2027 (Monday to Sunday 8am-6pm)

Friday 25 December at 00:01 until Sunday 27 December at 05:00

Sunday 3 January 2027 at 00:01 until Monday 4 January 2027 at 05:00

How are we supporting the community?

We will be offering support for those residents closest to the works over Christmas. We will be in touch with those residents directly.

Please contact community@bbvsjv.com or the HS2 Helpdesk on 08081 434 434 or via email at HS2Enquiries@hs2.org.uk if you have any questions. We will update this notification as the works progresses.
