

Update: works in Old Oak and North Acton, autumn 2026

HS2-SCS-26-2497

Location

SCSJV sites in Old Oak and North Acton

Duration

4 September to 31 December 2026

What we are doing

We're continuing works in Old Oak and North Acton. The table on the following page explains what work you may see and hear

What to expect

You may notice some noise. We'll be using the following measures to reduce disruption:

- monitor noise and vibration
- suppress dust when needed
- install noise barriers where possible
- carry out noisier activities during core working hours
- direct lighting downwards and use covers where possible to reduce glare
- brief our workforce on ways to reduce disruption for local communities

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Minicom **08081 456 472**

Please see the location of the Old Oak Common tunnel and our Old Oak and North Acton sites below.

Where we'll be working

Where we will be working – Victoria Road Crossover Box and Flat Iron sites, Northolt and Old Oak Common tunnels

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: **www.hs2.org.uk/how-to-complain**

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
