

Update: 18 September 2026 Old Oak Common overnight concrete works REF: HS2-OOC - SCP-26-2401

For the attention of:
Residents of Wells House Road

Location

Old Oak Common station site, conventional station platforms

Duration

23 August 2026 – 31 July 2027

We will be working overnight from Sunday to Friday, between 10pm to 6am. A schedule of upcoming nighttime works can be found overleaf.

What we are doing

We are continuing the concrete works for the conventional station platforms, with works along the live railway.

What to expect

We have to carry out these works overnight, when trains are not running. We will complete our activity as quickly as possible to reduce disruption. We will use equipment and methods which help to reduce noise. We will engage directly with residents impacted by these works. The works are described in more detail overleaf.

New dates for overnight working have been confirmed

See latest works dates on page 3

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Where we will be working

Works will be running alongside the Great Western Main Line on the conventional station platforms.

Concrete platform works

We are continuing concrete works in the conventional station to deliver platforms and additional elements that will make up the future Elizabeth line and Great Western Main Line station. The works will involve concrete pours and installing prefabricated concrete planks.

Due to the platforms running adjacent to the railway, to safely deliver the works, the teams will work overnight when trains are not running.

Other platform works were notified: **Old Oak Common: conventional station extended hours** (ref: HS2-OOC-SCP-26-2344).

Working times

These works will take place overnight:

- **Tuesday 22 September – Friday 25 September**
 - 11pm – 5am
- **Sunday 4 October – Friday 9 October**
 - Sunday 4 October 11:10pm – 8:45am Sunday 4 October
 - Monday 5 October – Friday 9 October will be between midnight to 5am

These altered working times are to utilise access made available as other works have been rescheduled on these areas of the railway.

Updates to this notification will be sent out once further dates are confirmed.

Mitigations

We will minimise disruption by pointing lights away from residences and by using noise insulating blankets where appropriate. We will brief staff on entering and leaving site quietly.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
